MEMORANDUM FOR: [REDACTED]

SUBJECT

: Security Violations  
(Request for Review of 1961 Security  
Violation)

1. After our conversation the other day concerning the third security violation charged to you on 22 November 1963 and with the concurrence of the AD/OSA, I contacted the Chief, Physical Security Division, Office of Security, with regard to this matter.

2. I informed [REDACTED] Chief, Physical Security Division, that you strongly felt that the "security violation" charged to you on 21 November 1961 should not have been a violation for the record as far as you were concerned. I pointed out to [REDACTED] that you did not contest the violations charged to you on 19 March 1963 and 22 November 1963; however, you would appreciate it immensely if a review could be made of the circumstances surrounding the 1961 violation with the hopeful result that it could be purged from the record.

3. On 16 January 1964 [REDACTED] telephonically advised me that the incident in question was thoroughly reviewed and based upon the facts available and employing the rules established in [REDACTED] no basis exists for an appeal on the 1961 security violation.

4. [REDACTED] speaking for the Director of Security, suggested your attention be invited to the provisions of [REDACTED] and if additional facts or circumstances are known to you with regard to the 1961 violation, these facts should be incorporated in a memorandum addressed to the Director of Security, Attention: Chief, Physical Security Division, and your appeal for reconsideration will be entertained.
